Be it enacted by the Legislature of the state of Utah:

Section 1. Section **31A-22-635** is enacted to read:

31A-22-635. Coverage for prosthetic device.

(1) For purposes of this section:

(a) "Orthotic device" means a rigid or semirigid device supporting a weak or deformed leg, foot, arm, hand, back, or neck, or restricting or eliminating motion in a diseased or injured leg, foot, arm, hand, back, or neck.

(b) "Prosthetic device" means an artificial limb device or appliance designed to replace in whole or in part an arm or a leg.

(2) Beginning July 1, 2008, an accident and health insurance policy that provides coverage for hospital, medical, or surgical expenses shall provide coverage for benefits for prosthetics and orthotics that:

(a) at a minimum, equals the coverage provided for under the federal Medicare program pursuant to 42 U.S.C. Secs. 1395k, 1395l, and 1395m and 42 C.F.R 414.202, 414.210, and 414.228 as applicable to this section; and

(b) includes:

(i) all services and supplies necessary for the effective use of a prosthetic or orthotic device, including:

(A) formulating its design;

(B) fabrication;

(C) material and component selection;

(D) measurements and fittings;

(E) static and dynamic alignments; and

(F) instructing the patient in the use of the device;

(ii) all materials and components necessary to use the device; and

(iii) any repair or replacement of a prosthetic or orthotic device that is determined medically necessary to restore or maintain the ability to complete activities of daily living or essential job-related activities and that is not solely for comfort or convenience.

(3) The coverage required by this section:

(a) may be made subject to, and no more restrictive than, the provisions of an accident and health insurance policy that apply to other benefits under the policy;

Individual, Business and/or Local Impact

Enactment of this bill likely will not result in direct, measurable costs and/or benefits for local governments. Individuals may benefit from this change in statute by requiring coverage of orthotic or protheses devices to health insurance providers. Businesses may be impacted due to required coverage of orthotic or protheses devices from individuals.
